COMMUNICATION FORWARDING SUBSTITUTE OATH

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In connection with the filing of the above-identified application under 37 C.F.R. § 1.60, a copy of the last inventor executed declaration was filed, a copy of which also was filed in the immediate parent of the subject application, i.e., USSN 08/361,176. Subsequent to the filing of this application and in connection with USSN 08/361,176, a substitute oath was executed by the inventors. Enclosed is a copy of the substitute declaration and power of attorney.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for

any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: November 30, 1995

Respectfully submitted,
